MICHIGAN MATH AND SCIENCE ACADEMY WILL HOST A "SPRING ANTI-BULLYING ASSEMBLY" WITH MIKE CULVER THIS WEEK

Hazel Park, MI—Michigan Math & Science Academy is hosting an anti-bullying assembly on **Thursday, March 29th, 2012, from 1:30 p.m. to 2:30 p.m.** Our keynote presenter will be School Bully Solutions representative, Mike Culver, who will speak about the effects of bullying and ways in which bullying can be avoided. Over 280 students and faculty members will be participating!

MMSA's assemblies are designed to provide a free, valuable, and enlightening seminar/presentation for students, staff, and interested community members. Topics such as the importance of attending college and financial aid have been discussed in the past and have produced great turn-outs!

This assembly is part of a statewide initiative to draw attention to Governor Rick Snyder's efforts to promote the excellence of charter schools in communities with the slogan, "Great Charter Schools: A Basic Right and Our Responsibility." This slogan represents MMSA's vision of calling upon all Americans to do their part in making charter schools beneficial for every child so they can achieve, accomplish, and excel in the 21st century.

If you have any questions about the assembly, presenter or the topic, please contact us via phone: (248) 808-6914 or email: office@mmsaonline.org.

Michigan Math & Science Academy provides students in grades 5 through 10 with a high quality academic and social environment focused on rigorous instruction and high student expectations, emphasizing math, science, and technology education. For additional information, please visit our website: www.mmsaonline.org. MMSA is managed by Concept Schools, which is a Chicago-based, non-profit management organization that currently runs 27 excellent, tuition-free charter schools with a math, science, and technology focus. For more information on Concept Schools, please visit www.conceptschoools.org.
